We from Sportschool Tenno are very pleased to organise this 2nd Spring Seminar with Bob Nash. We hope that many will use this opportunity to train with Bob Nash.

Bob Nash was born in Yokohama, Japan and was raised in Tokyo until he left for the US at the age of 18. He began studying martial arts at an early age and he studied Wado Ryu under the guidance of Hideho Takagi (8th Dan). Takagi sensei is one of the top Wado technicians in the world and is a member of the JKF Wadokai Central Technical committee. After Bob Nash moved to the US, he joined Yoshiaki Ajari's (8th Dan) dojo in Berkeley, California when he was in his mid 20's. In the 90's Bob Nash formed his own group and today Nash Sensei is the chief instructor of Wado Guseikai USA, the largest JKF Wadokai affiliated group in American. Bob Nash frequently does seminars within the US and also across Europe.

The seminars are taught in a relaxed manner. His aim is to transmit as much information as possible in the allotted time. The seminar should not be physically taxing but plenty of concentration is demanded of the participants. Note taking is strongly recommended.

Photograph and video recordings have been permitted as long as they do not impede the training.

Techniques are explained at various ability levels, so there will be something of value for everyone, regardless of rank. JKF-Wadokai is an organisation which was founded initially by Hironori Otsuka 1934. Today JKF-Wadokai is the largest karate organization in Japan.
